

ACCESS FOR DISABLED PERSONS TO SAN SIRO STADIUM

To facilitate disabled persons' access to the San Siro stadium, F.C. Internazionale has created a **booking system**. Disabled persons with certificate of 100% invalidity can request free accreditations to all of Inter's home matches (a limited number of places are available for each match).

Accreditation procedure:

- Send accreditation request from Monday to Wednesday during the working week before **the date of the match**. Requests can be made by **sending the present module** between 09:00 and 18:00 CET on the aforementioned days by fax to +39 02/40071329 or email to (hospitality@inter.it).
- Arrive at Gate 50 at least 45 minutes before the start of the match (pre-emption right **automatically expires 15 minutes before kick-off**) together with escort and copy of the confirmation fax and invalidity certificate.
- F.C. Internazionale reserves the right to issue accreditations on a 'first come, first served' basis, and will send confirmation to be produced on request at **Gate 50**. If no reply to accreditation requests is received, it means that all the places available for the match in question have already been reserved.
